Principal's Notes

Happy New Year!

Hopefully, you and your child have had a peaceful and restful break and are ready to start the second part of the school-year.

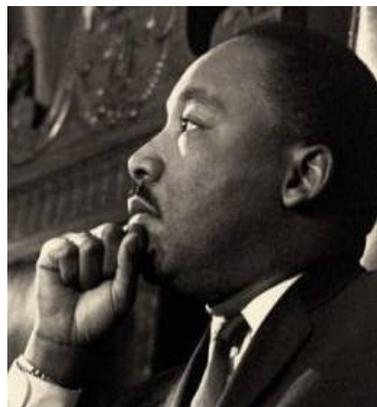

Please be mindful the students should be on time and ready to start class at 7:45 a.m. Let's start the new year off with setting academic and attendance goals for students. We need them here everyday on time.

I would like to remind parents that the cold weather is here to stay for the next several months, and children should be properly dressed to accommodate the falling temperatures. Gloves, scarves, earmuffs, boots, and hats are excellent tools for staying warm and warding off colds and flu. Please remind your child that it is important that they are dressed for the season in the classroom too. Being cold can keep a student from being able to concentrate! Sweaters, thermal tights, sweatshirts, long pants, and heavy socks are all good things to wear during the cold months. Please pay extra attention to your children before they walk out of the door each morning. In addition to the colder temperatures is the threat of sickness during the cold and flu season. Be sure your child is washing their hands regularly, covering their mouths when they cough, and using tissues for their noses. And don't forget that getting plenty of rest and eating healthy foods can help ward off illnesses too!

... what new year's all about,
getting another chance,
a chance to forgive,
to do better, to do more,
to give more, to love more,
and to stop worrying
about what if ... and

Dr. Martin Luther King Jr.

During the less than 13 years of Dr. Martin Luther King, Jr.'s leadership of the modern American Civil Rights Movement, from December, 1955 until April 4, 1968, African Americans achieved more genuine progress toward racial equality in America than the previous 350 years had produced. Dr. King is widely regarded as America's pre-eminent advocate of nonviolence and one of the greatest nonviolent leaders in world history. - See more at: <http://www.thekingcenter.org/about-dr-king#sthash.4XwckGa6.dpuf>
